Angels , from the realms of glory,    wing your flight o'er all the earth;  
Shepherds in the fields a- biding,    watching o'er your flocks by night,  
Sages, leave your con- tem- plations,    brighter vis- ions beam a- far;  
Saints before the al- tar bending,    watching long in hope and fear,  
All creation,    join    in    praising    God the    Fa- ther, Spir- it,    Son;

Ye who sang creation's sto- ry,    now pro- claim Mes- si- ah's birth;  
God with man is now resid- ing,    yon- der shines the in- fant Light:  
Seek the great Desire of na- tions;    ye have seen his na- tal star:  
Suddenly the Lord, descend- ing,    in his temple shall ap- pear:  
Evermore your voices rais- ing    to th'e ternal    Three in    One:
