Page 193 Trinity Hymnal (F), p 254 guitar fake book (F)

Violin: none; none

Dm                      Bb      F              Dm                      Bb      A  
Let all mortal flesh      keep      silence, And with fear and      trembling stand;  
King of kings, yet born of      Mary,      As of old on      earth He stood,  
Rank on rank the host of      heaven Spreads its vanguard on the      way,  
At His feet the six      wingèd seraph, Cherubim with      sleepless eye,

Bb                      F      Gm6 Dm                      Cm      F      Bb              F  
Ponder nothing earth-ly      minded, For with      bless- ing in His      hand,  
Lord of lords, in hu- man vesture, In the      bod- y and the      blood;  
As the Light of light de- scendeth From the realms of      endless      day,  
Veil their faces to      the      presence, As with cease- less voice they cry:

D/F#                      Gm              Dm      C      Dm/F                      Gm      C              Dm  
Christ our God to      earth de-scend-eth, Our full homage to      de- mand.  
He will give to      all the      faith- ful His own self for heav'- nly food.  
That the powers of hell may van- ish      As the darkness clears a- way.  
Alleluia,                      Alle- lu- ia      Alleluia,                      Lord Most High!
