Lord, speak to me that I may speak in living ech- oes of your tone;  
O teach me, Lord, that I may teach the precious things you do im- part;  
O fill me with your fullness, Lord, un- til my ver- y heart o'er-flow  
O use me, Lord, use even me, just as you will and when and where;

G            Em    Am   D7            G            C            G            D7   G  
As you have sought, so let me seek your erring children lost and lone.  
And wing my words, that they may reach the hidden depths of man- y-a heart.  
In kindling thought and glowing word your love to tell, your praise to show.  
Until your bless- ed face I see, your rest, your joy, your glo- ry share.
