God ruleth on high, almight- y to save;

Then let us a- dore, and Him His right,

And publish a- broad His wonder- ful name;
And still He is nigh – His presence we have.
Let all cry a- loud and honor the Son.
All glory and pow'r, and wisdom and might,

The name, all victorious, of Jesus ex- tol;
The great congregation His triumph shall sing,
The praises of Jesus the angels pro- claim,
All honor and blessing, with angels a- bove,

His kingdom is glorious and rules o- ver all.
A- scribing sal- vation to Jesus, our King.
Fall down on their faces and worship the Lamb.
And thanks nev-er ceasing for infi- nite love.
